Sir/Madam

The Ozone Secretariat would like to express its appreciation for your response to our letter dated 25 July 2005, in which we notified you the theme for this year's International Day for the Preservation of the Ozone Layer and requested information on any national activities that you may have undertaken. In that regard, we would like to thank you for the contribution of your country to the celebration of the Ozone Day 2005.

There is no doubt that events like those undertaken by your Government are a true reflection of your country's strong commitment and have a remarkable awareness impact on all kinds of audiences regarding the objectives of the Vienna Convention and the Montreal Protocol.

The Ozone Secretariat encourages your country to continue its efforts towards the protection of the ozone layer.

Finally, we are pleased to inform you that in the website of the Secretariat ([www.unep.org/ozone](http://www.unep.org/ozone)) the public information section has added a provision titled "2005 Ozone Day celebrations around the world" to summarize the activities undertaken on this occasion by several countries, including yours.

Please accept our sincere appreciation for your continued efforts.

Sincerely

Marco González  
Executive Secretary
