**Ozone Secretariat Workshop
on IPCC/TEAP Special report**

Montreal, 7 July 2006

Provisional agenda

1. Opening of the Meeting
 2. Presentations on the IPCC/TEAP Special Report on Safeguarding the Ozone Layer and the Global Climate System, and the supplemental report thereto that was prepared by TEAP for consideration by the Seventeenth Meeting of the Parties to the Montreal Protocol
 3. Development of a list of practical measures relating to ozone depletion that arise from the report
 4. Consideration of the ozone-depleting substances cost effectiveness of such measures and taking into account their full costs, and the other environmental benefits that would result from those measures, including those related to climate change
 5. Conclusions and closure of the meeting
