Sunday, 18 May 2008**

Following the Secretariat's letter of 30 January 2008, inviting your Government to nominate representatives to participate in the seventh meeting of the Ozone Research Managers of the Parties to the Vienna Convention, organized by the Ozone Secretariat of the United Nations Environment Programme (UNEP) in cooperation with the World Meteorological Organization (WMO) to be held at the WMO headquarters in Geneva, Switzerland, from 19 to 21 May 2008, I have the pleasure to invite your representative/s to a reception and dinner cruise on Lake Geneva on Sunday, 18 May 2008, to welcome the delegates and to officially open the meeting.

The boat for the dinner cruise, "Henry Dunant", will depart from pier "CGN Rotonde des Pâquis" (in front of Hotel Beau-Rivage on Quai du Mont-Blanc 13) at 19.00 hrs. Embarkation of guests will start at 18.45 hrs.

It is our sincere hope that the auspicious evening will not only present an opportunity for the participants to share experiences on current and future initiatives with their counterparts, but also enable the 7<sup>th</sup> ORM to make a head start by officially opening the meeting and proceeding on the election of officers.
