

**New information on vaccines for Senegal
(21 November 2005)**

We have been informed that the mandatory vaccines for Senegal are yellow fever and meningitis. If the participant wishes to be vaccinated upon arrival, the charges are 1,500 fefa for yellow fever and 3,5000 fefa for the meningitis. The malaria prophylaxis and vaccinations for typhoid, hepatitis and cholera remain recommended. More information could be found on the Government's official website (<http://www.denv.gouv.sn/cmop717>)
