Sixteenth Meeting of the Parties
to the Montreal Protocol on
Substances that Deplete the
Ozone Layer
Prague, 22–26 November 2004
Item 6 (e) of the provisional agenda *

Consideration of issues related to ratification, data reporting, compliance
and international and illegal trade: monitoring of trade in ozone-depleting
substances and preventing illegal trade in ozone-depleting substances (decision XIV/7)

Streamlining the exchange of information on reducing illegal
trade in ozone-depleting substances

Corrigendum

Page 1, penultimate line of the paragraph

For nine Parties read ten Parties

Page 2

After paragraph 6 insert

7. Campaigns for awareness-raising and periodic inspections by competent authorities with strong emphasis on the prevention and deterrence of illegal trade in ozone-depleting substances should be sustained. Parties operating under regional economic integration organizations or regional customs organizations should optimize customs controls within their borders.
