The Permanent Mission of Mexico presents its compliments to the Ozone Secretariat, United Nations Environment Programme and has the honour to make reference to International Day for the Preservation of the Ozone Layer, observed on September 16, 2014.

In response to the communication from the Ozone Secretariat, which invited all parties to the Montreal Protocol to celebrate this important day and requesting to receive information on the plans of Mexico's government for this year's celebrations in the country, the Embassy of Mexico has the pleasure of sharing information on the scheduled activities by the Government of Mexico.

To commemorate this anniversary, the Directorate General of Air Quality, Pollution Release and Transfer Register of the Ministry of Environment and Natural Resources, (SEMARNAT) will inaugurate the opening of Commercial Refrigeration Plant HCFC free Metalfrío Solutions, which aims to present the first phase of commercial refrigeration equipment manufactured with HCFC-free insulation (hydro chlorofluorocarbons). The opening ceremony will be presided over by the Minister for Environment and Natural Resources Mr. Juan Jose Guerra Abud, on 3 October 2014, within the facilities of the Metalfrío Solutions Company, located in the city of Celaya, Guanajuato.

The Permanent Mission of Mexico avails itself of this opportunity to renew to the Ozone Secretariat, United Nations Environment Programme, the assurances of its highest consideration.
