

Republic of Iraq

International Day for the Preservation of the Ozone Layer, 16 September 2010

The Embassy would like to inform that the Government of Iraq has the following schedule to celebrate the above mentioned day:

- A speech by the Minister of Environment or her representative.
- Speech by the national coordinator of the convention
- An exhibition by one of the beneficiaries of the implementation of the replacement projects.
- Songs for children about Ozone Layer performed by Kindergarten Mama Acer.
- Documentary film prepared by the media coordinator and a team television on the subject of ozone.
- A short theatrical presentation.
- Campaigns launched to raise awareness of the risks of the use of ozone are carried out by specialized teams.
