

Activities held in Mauritius on the occasion of the 2006 International Day for the Preservation of the Ozone Layer

- The Minister for the Environment, Anil Baichoo addressed the public at a ceremony marking the celebration of international Day for the protection of the layer of ozone held at the Mahatma Gandhi Institute. The ceremony was attended by students and representatives from various institutions.
- Ozone Awards were given to the representatives of about thirty institutions that contributed in speeding up Mauritius' timely elimination of CFC.
