

**Activities held in Rwanda on the occasion of the 2006 International Day for the Preservation of the Ozone Layer**

The State Minister for Lands and Environment, Patricia Hajabakiga urged people living in Rwanda to protect the Ozone Layer. The Minister made the call on Saturday 16 September during a live radio-television talk show on the preservation of the Ozone Layer that was held at Telecom House in Kigali. The talk show was organized by Rwanda Environmental Management Authority (REMA).
