ELEVENTH MEETING OF THE PARTIES TO THE  
MONTREAL PROTOCOL ON SUBSTANCES  
THAT DEplete THE OZONE LAYER

Beijing, 29 November – 3 December 1999

[DRAFT DECISIONS]

Addendum

Decision XI/18. Terms of reference for Assessment Panels

*Paragraph 6:*

To request the Environmental Effects Assessment Panel to continue the identification of the interactions between ozone depletion and other features of climate change.

- (a) An evaluation of how the combined influence of ozone depletion and other climate change factors can result in complicated interactions in the biosphere.
- (b) A characterization of how ozone depletion results in biosphere alterations that feedback on climate.;
