**Sixteenth Meeting of the Parties  
to the Montreal Protocol on  
Substances that Deplete the  
Ozone Layer**  
Prague, 22–26 November 2004  
Item 6 (e) of the provisional agenda\*

**Consideration of issues related to ratification, data reporting, compliance  
and international and illegal trade: monitoring of trade in ozone-depleting  
substances and preventing illegal trade in ozone-depleting substances (decision XIV/7)**

**Streamlining the exchange of information on reducing illegal  
trade in ozone-depleting substances**

**Corrigendum**

**Page 1, penultimate line of the paragraph**

*For nine Parties read ten Parties*

**Page 2**

*After paragraph 6 insert*

7. Campaigns for awareness-raising and periodic inspections by competent authorities with strong emphasis on the prevention and deterrence of illegal trade in ozone-depleting substances should be sustained. Parties operating under regional economic integration organizations or regional customs organizations should optimize customs controls within their borders.
