USE OF CONTROLLED SUBSTANCES AS PROCESS AGENTS
NOTE BY THE SECRETARIAT

1. In its decision X/14, paragraph 4(a), the Tenth Meeting of the Parties urged non-Article 5 Parties that have still not reported data for inclusion in tables A and B of decision X/14 to do so before the nineteenth meeting of the Open-ended Working Group, to be held in Geneva from 15 to 18 June 1999.
2. Pursuant to that decision, France has submitted to the Secretariat a request to add to table B in decision X/14 the following use of carbon tetrachloride (CTC), the Annex B, Group II substance as a process agent.

No.	Substance	Process agent application
26	CTC	Manufacture of cyclodime

3. The Secretariat has forwarded the request to the Technology and Economic Assessment Panel, for consideration and any recommendation.
4. The present note is for information only.
