WMO/UNEP OZONE RESEARCH MANAGERS OF  
THE PARTIES TO THE VIENNA CONVENTION FOR  
THE PROTECTION OF THE OZONE LAYER

Seventh meeting  
Geneva, 18-21 May 2008

**DRAFT PROVISIONAL AGENDA**

**18 May (Sunday) – Dinner and Opening**

- |                   |  |
|-------------------|--|
| 18:30 – 18:45 hrs | Participants arrive at the cruise boat, embark boat at 18:45 hrs <ul style="list-style-type: none"><li>○ Distribution of badges</li><li>○ Welcome reception</li></ul>  |
| <b>19:00 hrs</b>  | <b>Boat sails</b>  |
| 19:00 – 19:50 hrs | Opening of the meeting (Part I) <ul style="list-style-type: none"><li>○ Welcome (Liisa Jalkanen, WMO)</li><li>○ Keynote address (TBD)</li><li>○ Introduction – objectives of the meeting (Marco Gonzalez, Executive Secretary, Ozone Secretariat)</li><li>○ Retrospective: 6ORM in 2005 and since then (Michael Kurylo, Chairperson of 6ORM)</li></ul> |
| 19:50 – 20:00 hrs | Election of the Chairperson for 7ORM   |
| 20:00 – 22:00 hrs | Dinner   |

## 19 May (Monday)

- 08:30 onwards Registration
- 09:30 – 10:00 Opening of the meeting (Part II)
- Statement (Per Bakken, Chief, Chemicals Branch, Division of Technology, Industry, and Economics, UNEP)
  - Statement (Secretary General/Deputy Secretary General, WMO)
- 10:00 – 10:10 hrs Approval of the agenda

### **SESSION 1: INTRODUCTORY SESSION: THE VIENNA CONVENTION**

- 10:10 – 10:30 hrs Review of the recommendations of the Sixth Meeting of the Ozone Research Managers, Vienna, September 2005 (WMO Global Ozone Report No.48) and the resultant decisions of the Seventh Conference of the Parties to the Vienna Convention, Dakar, December 2005 (Michael Kurylo, Chairperson of 6ORM)
- 10:30 – 11:00 hrs Activities under the Vienna Convention Trust Fund for Research and Systematic Observation relevant to the Vienna Convention
- Financial Status of the Trust Fund (Ozone Secretariat)
  - Report on the Activities (WMO)
- 11:00 – 11:15 hrs Discussions and Q&A

### **COFFEE/TEA**

### **SESSION 2: THE STATE OF THE OZONE LAYER AND INTERACTIONS BETWEEN OZONE LAYER DEPLETION AND CLIMATE CHANGE**

- 11.30 – 11:40 hrs Assessments under the Montreal Protocol (A. R. Ravishankara, Co-Chair, SAP<sup>1</sup>)
- 2006 Assessment
  - Plans for the next assessment - 2010
- 11:40 – 12:10 hrs The current state of the ozone layer
- Findings from 2006 Assessment (A. R. Ravishankara, Co-Chair, SAP)
  - Findings since 2006 Assessment (Paul Newman, Co-Chair, SAP)
- 12:10 – 12:30 hrs Links between ozone and climate (John Pyle, Co-Chair, SAP)
- 12:30 – 12:50 hrs Influences of ozone layer depletion and climate change on UV-radiation and its impacts on human health and the environment (Jan van der Leun, Co-Chair, EEAP<sup>2</sup>)
- 12:50 – 13:00 hrs Q&A /Discussion

### **LUNCH**

---

<sup>1</sup> Scientific Assessment Panel of the Montreal Protocol

<sup>2</sup> Environmental Effects Assessment Panel of the Montreal Protocol

### SESSION 3: INTERNATIONAL MONITORING PROGRAMMES

- 14:30 – 14:50 hrs The WMO Global Atmosphere Watch (GAW): Global Ozone and UV-B Radiation Observing and Monitoring System (Liisa Jalkanen, WMO)
- 14:50 – 15:10 hrs The Network For the Detection of Atmospheric Composition Change (NDACC) (Niels Larsen, Danish Meteorological Institute)
- 15:10 – 15:30 hrs The Southern Hemisphere Additional Ozonesondes network (SHADOZ) (TBD)
- 15:30 – 15:50 hrs Global Climate Observing System (GCOS) (David Goodrich, GCOS Secretariat)

#### COFFEE/TEA

- 16:10 – 16:30 hrs Integrated Global Atmospheric Chemistry Observations (IGACO-O3/UV) (Geir Braathen, WMO)
- 16:30 – 16:50 hrs Advanced Global Atmospheric Gases Experiment (AGAGE) and associated networks (Stefan Reimann, EMPA)
- 16:50 - 17:10 hrs ODS concentrations in the atmosphere: scenarios and trends (Guus Velders, Netherlands Environmental Assessment Agency)
- 17:10 – 18:00 hrs Q&A / Discussions

## 20 May (Tuesday)

### SESSION 4: SATELLITE RESEARCH AND MONITORING

- 09:30 – 11:15 hrs Importance of satellite monitoring and programmes
- NASA (Ken Jucks, NASA) { 15 mins }
  - NOAA (Dan Stockton, NOAA, *invited*) { 15 mins }
  - ESA (TBD) { 15 mins }
  - KNMI (Pepijn Veefkind, KNMI) { 15 mins }
  - Chinese Space Agency (TBD) { 15 mins }
  - Russian Space Agency (TBD) { 15 mins }
  - Canadian Space Agency (Jean Paquette, Canadian Space Agency) { 15 mins }
  - EUMETSAT (TBD) { 15mins }

#### COFFEE/TEA

- 11:45 – 12:15 hrs The WCRP project Stratospheric Processes and their Role in Climate (SPARC) (Thomas Peter, ETH Zurich)
- 12:15 – 12:30 hrs Summary of the key issues (Jean-Christopher Lambert, IASB-BIRA)
- 12:30 – 13:15 hrs Discussion: Identification of needs and future gaps; formulation of recommendation or declaration on the concerns and how they might be addressed

#### LUNCH

## **SESSION 5: NATIONAL AND REGIONAL REPORTS ON OZONE RESEARCH AND MONITORING**

In this session, each representative of a region will present the regional and national situations with ozone monitoring and research, focusing on the key issues raised by the countries in the region based on the national reports submitted for this meeting.

- 14:30 – 14:45 hrs      Region 1: Africa (Gerrie Coetzee, South African Weather Service)
- 14:45 – 15:00 hrs      Region 2: Asia
- Regional aspects (Takashi Koide, Japan Meteorological Agency)
  - Key issues (TBD)
- 15:45 – 16:30 hrs      Region 4: North America, Central America and the Caribbean
- USA (David Hofmann, NOAA)
  - Canada (Bruce McArthur, Environment Canada)
  - Central America, Mexico and the Caribbean (TBD)

### **COFFEE/TEA**

- 16:45 – 17:00 hrs      Region 3: South America (TBD)
- 17:00 - 17:15 hrs      Region 5: South West Pacific (Matthew Tully, Australian Bureau of Meteorology)
- 17:15 – 17:45 hrs      Region 6: Europe (TBD)
- 17:45 – 18:00 hrs      Discussion: Identification of needs and gaps.

## **21 May (Wednesday)**

### **SESSION 6: DISCUSSION OF RECOMMENDATIONS**

In this session, recommendations arising from the meeting will be discussed and agreed. Under each topic of recommendations, a short introductory presentation (5-10 mins) will be made, followed by discussions on the topic.

- 09:30 – 10:15 hrs      Research Needs: Introduction by John Pyle, Co-Chair SAP
- 10:15 – 11:00 hrs      Systematic Observations: Introduction by Karel Vanicek, Czech Republic

### **COFFEE/TEA**

- 11:30 – 12:15 hrs      Capacity Building: Introduction by Ayite-Lo Ajavon, Co-Chair, SAP
- 12:15 – 13:00 hrs      Data Archiving: Introduction by (TBD)

### **LUNCH**

15:00 – 16:60 hrs

Adoption of recommendations and report.

Other matters

Closure of the meeting
