Applicant profile

Please provide a short summary of the applicants' expertise and skills, as they relate to the position for which he/she is being nominated.

Over 30 years' experience in the field of fire protection and research into halon replacement agents. Extensive knowledge of fire science (specifically flame chemistry), which is essential for selecting and developing replacements for halons and now the high-GWP HFCs. I joined the HTOC in 2012, and became co-chair in autumn 2016.

Employment History and/or Relevant Experience

Main Countries or Regions Worked or Experience in (with relevance to Montreal Protocol)

I have worked in predominantly in the UK, with occasional brief secondments to the USA and Europe. From 2003 to 2017 I was the Research Manager of Kidde, and led the team that helped developed and commercialises several classes of halon replacement agents including two HFCs, and the fluoroketone (Novec 1230). Also, more recently I have personally conducted the fire testing of 2-BTP as a replacement for Halon 1211 in aviation applications.

I am currently leading the research into finding a replacement for Halon 1301 in aircraft engines and cargo compartments.

Publications

Please give a list of relevant publications (do not attach)

ADDITIONAL INFORMATION - Expectations for members of TEAP, TOCs and TSBs

Work done for TEAP, its TOCs and TSBs is on a voluntary basis and does not receive any remuneration [funding for their time]. Members from Article 5 countries may be funded for their travel (flight) and per diem (UN DSA) only to relevant meetings, based on needed participation and availability of funding. Members are expected to attend meetings, engage in discussions, and devote time to the preparation of reports including finding and reviewing information to respond to the tasks set out by the Parties, drafting and formatting reports or sections of reports, reviewing reports and preparing presentations. TOC members attend at least annual meetings of that TOC. TOC co-chairs also attend the annual TEAP meeting, and typically two meetings per year of the Montreal Protocol. TSB members attend meetings of the TSB and may be asked to attend up to two meetings of the Montreal Protocol, based on needed participation and availability of funding.

All meetings, correspondence and report writing are conducted in English so good ability to read English plus good command of spoken and written English are essential.

Basic computer literacy (Word, Excel, Power Point) for drafting and editing products is required. Advanced computer/ document formatting skills are an asset.

All appointed members of TEAP, TOCs or TSBs should provide a "Declaration of Interest" prior to a meeting and at least once a year. The DOIs are posted at the Ozone Secretariat website.

In submitting a CV to support a nomination, Parties may wish to provide a short summary of the applicants' expertise and skills, as they relate to the position for which he/she is being nominated, including the main countries or regions worked or experience in (with relevance to Montreal Protocol). Also please indicate if the nomination is in response to a specific category listed in the Matrix of Expertise published by TEAP

<https://ozone.unep.org/science/assessment/teap/teap-expertise-required>

Once appointed, members of TEAP, TOCs or TSBs provide a "Declaration of Interest" (DOI) at least once a year and prior to the group's first meeting. Members provide updated DOIs within 30 days of any changes. The DOIs are posted on the Ozone Secretariat website.

Members review and agree to abide by TEAP's terms of reference, its code of conduct, operational procedures, and relevant decisions of the Parties as per Decision XXIV/8: http://conf.montreal-protocol.org/meeting/mop/mop-31/presession/Background%20Documents/Decision_XXIV-8_TEAP_TOR.pdf
