# MOP38 - A Milestone and Launchpad

## GLOBAL SIGNIFICANCE

### A MILESTONE FOR THE KIGALI AMENDMENT

MOP38 marks ten years since the Kigali Amendment was adopted in Rwanda, with much progress to be celebrated.

### A LAUNCHPAD FOR FASTER & STRONGER IMPLEMENTATION

The meeting can accelerate the phase-down of HFCs, strengthen action on remaining ozone-depleting substances, and support universal ratification of the Kigali Amendment.

### A PLATFORM FOR FINANCE AND TECHNOLOGY

In this replenishment year, MOP38 can mobilise finance, technology transfer, and capacity building to support countries in meeting their commitments.

## 2-6 November: MOP38

- 2-4 November: Technical Negotiations
- 5-6 November: High Level Segment

# Major Events around MOP38

## KIGALI AMENDMENT 10TH ANNIVERSARY WORKSHOP - 1 NOVEMBER 2026

The Kigali Amendment stands as a landmark achievement in environmental multilateralism, uniting countries to phase down high-global-warming-potential HFCs. Its full implementation could significantly reduce global temperature rise, reinforcing the Montreal Protocol's legacy as the world's most successful environmental treaty. This event will explore how we can be inspired by the Montreal Protocol to address global challenges.

**WELCOME  
BACK!**

## WELCOME RECEPTION – 5<sup>th</sup> November 2026

Hosted by the Government of Rwanda, the reception will showcase the country's culture and hospitality while creating space for early networking, relationship-building, and alignment among Parties, setting a collaborative tone for the discussions and decisions to follow under the Montreal Protocol.

## INNOVATION EXHIBITION at ACES- 2-6 November 2026

An Innovation Exhibition will be hosted at the Africa Centre of Excellence for Sustainable Cooling (ACES) during MOP38, showcasing cutting-edge, climate-friendly cooling and cold chain technologies. The exhibition will actively engage industry leaders, manufacturers, financiers, and development partners to demonstrate scalable solutions, foster technology transfer, and catalyze investment partnerships that accelerate sustainable cooling across Rwanda and the region.

# Declaration

Rwanda and Africa as a whole is proposing a declaration that will capture the political spirit and forward-looking ambition of MOP38.

The declaration is intended to celebrate the successes of a decade of Kigali amendment and reaffirm our shared commitment for the next decade
