Applicant profile

Throughout his professional career dedicated to R&D, he spent 30 years at The Dow Chemical Company working mainly with polyurethane foams and blowing agents. The development of new foam products covering the main blowing agents (CFC-11, HCFC141b, Hydrocarbons, HCFCs, Methylal, Methyl Formate and HFOs/HCFOs) and blends, including their implementation in different markets across the globe allowed him to acquire deep knowledge and expertise of these technologies. Over the last decade, he represented ABIQUIM's polyurethane committee (Brazilian Association of the Chemical Industry) in the Technical Group of the Brazilian Program of HCFCs Elimination. Furthermore, he has been part of GPU-A-WG — Global PU Association Working Group— which is composed of members such as the American Chemistry Council-USA, ISOPA-EU and PU Associations of: China, Brazil, India, Japan, Korea, Thailand amongst other countries).

Employment History and/or Relevant Experience

Main Countries or Regions
Worked or Experience in
(with relevance to Montreal
Protocol)

The long professional career in foams blown with zero ozone depleting substances and low global warming potential includes the implementation of these technologies in Latin America — Argentina, Brazil, Colombia, and Mexico. During his time in Europe, based in Switzerland, he worked with projects in countries such as China, India, Hungary, Poland, Portugal, Romania, Sweden, and Turkey. After his retirement in 2018, he became a UNDP expert for the Bangkok and Panama offices. He has participated in seminars, panels, and technical guidance for the implementation of zero ODP and low GWP blowing agents, having worked in assignments in India, Indonesia, Malaysia, and Brazil.

ADDITIONAL INFORMATION - Expectations for members of TEAP, TOCs and TSBs

Work done for TEAP, its TOCs and TSBs is on a voluntary basis and does not receive any remuneration [funding for their time]. Members from Article 5 countries may be funded for their travel (flight) and per diem (UN DSA) only to relevant meetings, based on needed participation and availability of funding. Members are expected to attend meetings, engage in discussions, and devote time to the preparation of reports including finding and reviewing information to respond to the tasks set out by the Parties, drafting and formatting reports or sections of reports, reviewing reports and preparing presentations. TOC members attend at least annual meetings of that TOC. TOC co-chairs also attend the annual TEAP meeting, and typically two meetings per year of the Montreal Protocol. TSB members attend meetings of the TSB and may be asked to attend up to two meetings of the Montreal Protocol, based on needed participation and availability of funding.

All meetings, correspondence and report writing are conducted in English so good ability to read English plus good command of spoken and written English are essential.

Basic computer literacy (Word, Excel, Power Point) for drafting and editing products is required. Advanced computer/ document formatting skills are an asset.

All appointed members of TEAP, TOCs or TSBs should provide a “Declaration of Interest” prior to a meeting and at least once a year. The DOIs are posted at the Ozone Secretariat website.

In submitting a CV to support a nomination, Parties may wish to provide a short summary of the applicants’ expertise and skills, as they relate to the position for which he/she is being nominated, including the main countries or regions worked or experience in (with relevance to Montreal Protocol). Also please indicate if the nomination is in response to a specific category listed in the Matrix of Expertise published by TEAP <https://ozone.unep.org/science/assessment/teap/teap-expertise-required>

Once appointed, members of TEAP, TOCs or TSBs provide a “Declaration of Interest” (DOI) at least once a year and prior to the group’s first meeting. Members provide updated DOIs within 30 days of any changes. The DOIs are posted on the Ozone Secretariat website.

Members review and agree to abide by TEAP’s terms of reference, its code of conduct, operational procedures, and relevant decisions of the Parties as per Decision XXIV/8: http://conf.montreal-protocol.org/meeting/mop/mop-31/presession/Background%20Documents/Decision_XXIV-8_TEAP_TOR.pdf
