**Seminar on the environmentally sound  
management of banks of ozone-depleting  
substances (decision XXI/2)**  
Geneva, 14 June 2010

**Provisional agenda**

1. Opening of the seminar.
2. Keynote presentation.
3. Size and scope of banks of ozone-depleting substances.
4. Options for mobilizing available funds to destroy ozone-depleting substances:
  - (a) Activities by the Multilateral Fund for the Implementation of the Montreal Protocol in response to decisions on funding activities related to destruction;
  - (b) Mobilizing funds for destruction using established voluntary market programmes;
  - (c) Presentations by commercial firms currently engaged in recovery, destruction or both;
  - (d) Experience of leveraging funds under the Strategic Approach to International Chemicals Management to detail the scope and location of stocks of ozone-depleting substances available for destruction;
  - (e) Summary by the co-chairs of the options discussed.
5. Potential additional options for mobilizing funds:
  - (a) Report to the Executive Committee of the Multilateral Fund on the mobilization of resources using the carbon markets and the development of methodologies to encourage destruction and related benefits;
  - (b) Possibilities for funding or co-funding activities related to the destruction of ozone-depleting substances under other funding mechanisms;
  - (c) Possible development of a facility to leverage additional funding for the destruction of ozone-depleting substances.
6. Synthesis and next steps.
7. Closure of the seminar.
