### Applicant profile

---

Please provide a short summary of the applicants' expertise and skills, as they relate to the position for which he/she is being nominated.

Ms. Maranion has over 25 years of experience with global environmental issues of stratospheric ozone layer and climate protection. Under the Montreal Protocol, she has implemented bilateral projects supporting training on recycling and responsible disposal practices and destruction. She has served as a member of the Halons Technical Options Committee (2006-2010). She has served as a Senior Expert (2010-2012) and then Co-chair of the TEAP (2012-2020) as well as member and co-chair of various TEAP task forces and working groups responding to decisions of parties. She has extensive experience with implementing U.S. regulatory programs working with various stakeholders to manage smooth, safe transitions to ozone- and climate-friendly alternatives. She has extensive knowledge of U.S. regulations, in particular to those related to ozone layer protection and the various sectors of historical use including refrigeration, air conditioning, foams, fire suppression, and solvents. She has extensive experience and demonstrated successful collaborating practices and techniques in various team and workgroup settings within the EPA, with interagency groups involving other federal agencies and the military, with outside stakeholders, with national and international standards setting organizations, with international organizations such as IMO, ICAO, and WHO, and with national and international non-governmental organizations. She is a recognized technical and policy expert serving on numerous domestic and international panels, technical committees, and working groups collaborating on technical reports, revised standards, and other emerging topics addressing challenges to the global transition away from ozone-depleting and global warming chemicals.

### ADDITIONAL INFORMATION - Expectations for members of TEAP, TOCs and TSBs

Work done for TEAP, its TOCs and TSBs is on a voluntary basis and does not receive any remuneration [funding for their time]. Members from Article 5 countries may be funded for their travel (flight) and per diem (UN DSA) only to relevant meetings, based on needed participation and availability of funding. Members are expected to attend meetings, engage in discussions, and devote time to the preparation of reports including finding and reviewing information to respond to the tasks set out by the Parties, drafting and formatting reports or sections of reports, reviewing reports and preparing presentations. TOC members attend at least annual meetings of that TOC. TOC co-chairs also attend the annual TEAP meeting, and typically two meetings per year of the Montreal Protocol. TSB members attend meetings of the TSB and may be asked to attend up to two meetings of the Montreal Protocol, based on needed participation and availability of funding.

All meetings, correspondence and report writing are conducted in English so good ability to read English plus good command of spoken and written English are essential.

Basic computer literacy (Word, Excel, Power Point) for drafting and editing products is required. Advanced computer/ document formatting skills are an asset.

All appointed members of TEAP, TOCs or TSBs should provide a "Declaration of Interest" prior to a meeting and at least once a year. The DOIs are posted at the Ozone Secretariat website.

In submitting a CV to support a nomination, Parties may wish to provide a short summary of the applicants' expertise and skills, as they relate to the position for which he/she is being nominated, including the main countries or regions worked or experience in (with relevance to Montreal Protocol). Also please indicate if the nomination is in response to a specific category listed in the Matrix of Expertise published by TEAP

<https://ozone.unep.org/science/assessment/teap/teap-expertise-required>

Once appointed, members of TEAP, TOCs or TSBs provide a "Declaration of Interest" (DOI) at least once a year and prior to the group's first meeting. Members provide updated DOIs within 30 days of any changes. The DOIs are posted on the Ozone Secretariat website.

Members review and agree to abide by TEAP's terms of reference, its code of conduct, operational procedures, and relevant decisions of the Parties as per Decision XXIV/8: [http://conf.montreal-protocol.org/meeting/mop/mop-31/presession/Background%20Documents/Decision\\_XXIV-8 TEAP TOR.pdf](http://conf.montreal-protocol.org/meeting/mop/mop-31/presession/Background%20Documents/Decision_XXIV-8_TEAP_TOR.pdf)
